Windows 8.1 has the following three main configuration areas: Desktop is the desktop environment where each user can freely operate applications and documents. Start screen or Metro is the shortcut menu in the taskbar. Windows Store is a new section of Windows 8.1 that provides a Windows Store app for every feature on Windows 8.1. As the Windows 8.1 website puts it: "The Windows Store allows you to quickly access and download new Windows apps that are tailored to your lifestyle, browsing the Windows App Store for popular or popular-at-the-moment apps like apps for streaming music, fitness, shopping, and sports." These three areas can be viewed or navigated by the user using the standard mouse navigation or touch-screen based. With the touch-
