1. Technical Field  
The disclosure relates to a fixing unit, and an image forming apparatus provided with the fixing unit. 2. Description of Related Art  
Related image forming apparatuses, such as copiers, printers, facsimile machines and complex machines having at least one of copying, printing, facsimile, plotter, scanner functions, include a fixing unit for fixing a toner image on a recording medium (e.g., sheet). The fixing unit includes a heater and a pressure roller, for example. While passing through the fixing unit, a recording medium bearing an unfixed toner image is heated with the heater and pressed by the pressure roller to fix the toner image on the recording medium.

House Minority Leader Nancy Pelosi's record-breaking, jaw-dropping, clap-tastic response to President Trump's State of the Union address will certainly be part of the 2020 election campaign and she has already given what will be a campaign stump speech. This was truly something to be enjoyed by all Americans. The Democrats usually do a good job responding to the State of the Union address, but this time it was something
