Sandy Bloom, pianist and lead singer of the American Grammy .Panda Express Canada Canadien Kingston Panda Express Canadian (was Panda Express Canada or Panda Express Can'tain) was a Canadian sub division of Panda Express, a large American food company with over 2,500 restaurants worldwide. The stores are currently based in Ontario and Quebec, however, it has also been a franchisee in British Columbia. It was given a royal charter in 2010 and changed its name to PEC (Panda Express Canada) shortly thereafter. In August 2014, the restaurant was closed. There were 43 stores at the time of their closing. References Category:Defunct restaurant chains in Canada Category:Restaurants established in 2000 Category:Restaurants disestablished in 2014 Category:Companies based in Richmond Hill, Ontario Category:Panda ExpressQ: Problem with vlan range I am using hostapd and have have two networks where the wifi client is connected to one network and wireless AP connected to another network using different VLAN. client has a mac address of 00:0c:29:3e:55:7f and my AP has a mac address of 00:00:47:31:00:0c. when i try to connect to client from AP by changing the vlan settings i get connection refused, but when i use the same mac address as client i am able to get connection. What is the problem here. is it because of the mac address. If so can you please guide me how to make it work. A: The native IEEE 802.1Q VLAN mechanisms are based on the physical MAC address of the traffic, so the hostapd mapping traffic source MAC addresses to a VLAN ID cannot be done on the hostapd level. Either change the MAC address of your wireless AP to one that is unique for that VLAN ID (e.g. an Ethernet MAC address from /etc/udev/rules.d/99-wlan-vlan.rules) or map the MAC address of the client's traffic to a different VLAN ID (again e.g. a MAC address from /etc/udev/rules.d/99-wlan-vlan.rules). 1. Field of the Invention This invention relates to output circuit devices and is directed more particularly to a method and apparatus for
