Welcome to the wonderful dream world of Cortona! Inspired by romantic ancient Roman ruins, this wonderful VRML ScreenSaver sets sail on a magical journey. Enter this amazing world and enjoy the unique and mesmerizing sounds of this mystical place. Eternity is your constant companion. Celebrate love, honor, passion and life with Eternity. The 7th symphony for violoncello and orchestra is the musical tribute to Eternity. The music of the album has the form of the doves -symbol of love. When you fire a bullet into the TV screen, you can observe how different sound effects play, the accelerometer is activated, and the camera is rotated, only the sky, your target and the bullet are rendered in 3D - a world exclusive! The effects of the bullet ricochet off the bullet proof display of the plasma screen. The camera is rotated, the accelerometer is activated, the displays are illuminated, the bullet hit the screen and ricochets off it, only the sky, your target and the bullet are rendered in 3D - a world exclusive! The lock-on and the camera tracking are designed for virtual reality applications. This package contains sample code to add the lock-on and camera tracking features to your own applications. Also, there is a GUI that lets you control the lock-on and the camera tracking. It has been tested with the Android emulator, but has also been tested on an HTC Nexus One and an HTC Desire. The first fully integrated VRML screen saver. It can be used on any VRML Viewer. Images are screen-shot for this screen-saver. Please consider purchasing one of the many high-quality ready-made images to use in your screen-saver that are available on the downloads page. If you enjoy this screen-saver you can also use it as a wallpaper, but you can also use it as a background or splash-screen. The screen-saver sets sail on a magical journey through the world of the Olympic Games in Sydney, Australia. The Olympic Games are held every 4 years in a different continent in the world. The Olympic Games in Sydney are held between October and December, so the screen-saver is set in the Summer, just before the Games start. The screen-saver was created by a team of technicians, programmers and graphic artists from the computer games company Sybase. Take the next step in
