36 reviews of ReSpeaker "This is an amazing little speaker. I have used many different speakers for testing. It is easily the best all-round performer. I have used it with books and other materials and it performs excellently with even the most difficult material. I would recommend it to anyone who uses a Mac or PC for their audio devices. Its less expensive than many other speakers which use the same technology." Read more reviews dspeech pdf plug in download 10-Oct-16 14:05 A56 File Manager (x86); PDF - Editors.
