An action RPG where you take on the roles of an Elden Lord, a noble of the ancient Elden race, and must rebuild the once-great Elden Kingdom. The action takes place in a land called Great Land of Elden, the Lands Between, and in order to save the people and rebuild the kingdom, you must explore and overcome the challenges laid before you. In addition to the main story of the game, there are many dungeons that you can freely explore. These dungeons are filled with monsters, special weapons, and other items. You will be able to randomly encounter strange NPCs, such as a strange woman. For more information, please visit ABOUT GRENDEL RECORDINGS Grendel Recordings is a record label based out of Tokyo, Japan focused on Japanese heavy metal music. The main goal of the record label is to share metal from Japan with the world, starting with the local scene in Japan. We are a subsidiary label of Groupe Grendel, which is the company headed by frontman extraordinaire and musical legend, BLACK MAMA SPAMA. We currently release music by artists such as EYES OF A NEW TERROR, DISTORION, LUNAR, RED BULL YELLOW, and RAGE, and are looking for more promising bands to explore. If you are a Japanese heavy metal band or an international heavy metal band that wishes to release a record in Japan, please contact us at office@grendel-rec.com. FEATURES ■ Home page — Encounter a number of new things as you get lost in the Lands Between. ■ Dungeon — Treasures, monsters, and other items await you at the dungeons. ■ Multiplayer — Grouping up with other players, you can adventure in a world full of stories. ■ Online Play — Forget about the offline, and become immersed in the online world. ■ Battle — The gaming world is open to you without any limitations. ■ Trading — You can trade with other players via a special item called a Grendel Stone. ■ Style — Thrilling, dramatic, or a fusion of them all are available. Enjoy the content that you are familiar with and discover new play styles. ■ Music — Grendel’s own band, BLACK MAMA
