
Ewql Symphonic Choirs

I loaded the Quantum Leap East-West Symphony Choirs into Sibelius 7 using Jonathan Loving's dedicated . I have successfully compiled the files and can read them in Sibelius. But I want to use them as instruments for my own orchestral arrangements, which currently have multiple choir files. I need to edit them to suit my arranging needs so that each choir file is split into smaller pieces and created more or less like an orchestral performance. I would like to use

Ewql Symphonic Choirs
